Saudi Vision 2030

Built around three main themes:

1. A vibrant society: urbanism, culture and entertainment, sports, Umrah, UNESCO heritage sites, life expectancy.
2. A thriving economy: Employment, women in the workforce, international competitiveness, Public Investment Fund, Foreign direct investment, private sector, non-oil exports.
3. An ambitious nation: Non-oil revenues, government effectiveness, and e-government, household savings and income, non-profits and volunteering.

Sustainable Development Goals
